- Your card may require a PIN when swiping at some merchants. If you're using a PIN, select "Debit" at the point of sale and enter your PIN number. If a PIN isn't required, select "Credit" and sign for your purchase.
- When using your card for prescriptions and eligible over-the-counter (OTC) expenses, consult the list of approved IAS merchants at www.DiscoveryBenefits.com. If a store is not on the merchant list, your card may decline due to IRS regulations.
